Saving Lives, Offering Hope, One Day at a Time

40 DAYS FOR LIFE with Rita Russo, Boston Campaign Director

Rita, a retired obstetrical nurse, has a special connection to the unborn. She began praying on the sidewalk one day a week outside an abortion facility over 15 years ago. In 2013 she felt the Lord calling her to lead a 40 Days for Life Campaign outside Boston's Planned Parenthood. She considers standing up for life as the most important thing she does because every life is precious!

Did you know that 15,256 babies have been saved since 2007 through 6,020 International 40 Days for Life Campaigns in 816 cities in 56 countries with over 750,000 participants?

Come and be inspired how prayer and fasting, peaceful vigils and community outreach have changed hearts and minds to choose life.
