

Cardinal O'Malley has directed that there will be no public gatherings for Mass until this public health situation is resolved. But it is important for every Catholic to be nourished on the word of God and Holy Eucharist. So the priests of our parish will lead us in prayer for our spiritual and temporal needs by celebrating Mass each day at 10:00 a.m. Mass is livestreamed to every parish home. In keeping with guidance from civic leaders and the Cardinal, there will be no congregation present in the church at that time.

Please gather your family each morning at 10:00 a.m., if possible, in front of your computer or smart-TV. While it is not possible to receive Christ sacramentally in Holy Communion in this situation, you are able to make a Spiritual Communion.

Open the parish webpage www.stcatherinenorwood.org and at the upper right of the home page click "View Mass Live."

During the other daylight hours, take advantage of the open doors of our church, and make a visit to the Blessed Sacrament. Additionally, on Thursdays for the duration, the Blessed Sacrament will be exposed for Adoration following the 10:00 a.m. Mass until Benediction at 5:00 p.m.
